The Ridgeline is our Rich and Elegant choice.

For those people who want a home they can be proud of without sacrificing space, we offer the Ridgeline. You've got a whole lot of living to do and you need a place to do it. This floor plan is perfect for those families who really need that extra bedroom or office. This two story plan gives you the opportunity to keep all of your bedrooms up and away from company so you can keep your main floor living room well manicured. This plan comes standard with an unfinished basement and since you already have four bedrooms, you can finally have that place for extra storage or that bonus living room, man cave, hobby room...you decide.
